

OM MIG

Mit navn er Nikolaj, jeg er 22 år gammel og er fuld i gang med gf2 uddannelsen på EUC syd i Haderslev. Jeg ønsker at søge læreplads ved jer enten fra når jeg er færdig med grundforløb omkring januar, eller før hvor jeg meget gerne vil komme og arbejde i weekender, ferier og gerne efter skole, hvis det er muligt. Jeg har bilkørekort, egen bil og bor i lejlighed i Aabenraa sammen med min kæreste.

Ung gut søger læreplads som elektriker

UDDANNELSE

HF-søfart Ærø

Fra august 2016 – til august 2019

På HF-søfart fik jeg en gymnasial uddannelse, samtidig fik jeg en masse beviser og certifikater til at komme ud og sejle, brandbekæmpelse, værksteds undervisning og meget mere.

EUC syd haderslev

Fra august 2021 – til januar 2022

I sommers startede jeg på GF2 som elektriker. Der begyndte jeg efter jeg har haft sabbatår i 2 år hvor jeg har sejlet som ubefaren skibsassistent.

ERHVERVSERFARING

Ærø hotel først opvasker derefter tjener

Fra august 2016– til juli 2019

Det var det første job jeg har haft, og var utrolig glad for det. Arbejdede der alle tre år jeg boede på Ærø. Jeg lærte at holde hovedet koldt i presset og stresset situationer, og at teamwork og samarbejde betyder alt på en arbejdsplads.

Esvagt Ubefaren skibsassistent

Fra 29 juli 2019 – til 19 maj 2021

I cirka 2 år sejlede jeg som ubefaren skibsassistent ved Esvagt. Der lavede jeg alt fra at svejse, til vedligehold, brovagt, redningsøvelser FRB sejlsads og en masse andet. Det var blandt andet der jeg fik interessen for at blive elektriker, hvor maskinmestrene gjorde en masse for at forberede mig til skolen.

Hjemmeplejen Rødekro sommerferieafløser

Fra 1 juni – arbejder der indtil videre hver anden weekend, indtil læreplads er fundet (leder er opmærksom og ved dette) Jeg vidste ikke hvad jeg skulle bruge tiden på da jeg var stoppet med at sejle. Så jeg sendte en ansøgning til hjemmeplejen som sommerferie afløser og endte med at blive rigtig glad for det. Man får en masse snakke med de ældre og et indblik i deres liv, hvilket jeg synes var virkelig givende.

KVALIFIKATIONER

Nogle af mine stærkeste kvalifikation er at jeg er meget mødestabil, en kollega man kan stole på, og som altid er klar til en ekstra vagt hvis alt brænder på. Jeg elsker at lærer nye ting og brænder meget for det, samt at løse de ting jeg bliver sat til så godt som jeg kan.
